DIFFERENCES BETWEEN A BUSINESS AND A CHURCH

BUSINESS

Purpose:

- To make money
- To show a profit
- Delivers value to owners

Budget:

- Part of operating plan used to judge success or failure

Employees:

- An resource used to fulfill purpose of business

CHURCH

Purpose:

- To give away the gospel
- Break even indicates full use of resources
- Selfless, giving
- Intangible ideal, faith mission, ministry

Spending Plan:

- A guide for spending

Staff :

- Integral part of ministry

DIFFERENCES BETWEEN COUNCIL AND FINANCE COMMITTEE

COUNCIL

Authority/accountability come from being elected by congregation

Responsible for “bigger picture”/all ministries

Responsible for goal setting and spending plan

FINANCE COMMITTEE

Accountable to Council / consultants to Council

Responsible for financial viability

Responsible to “police the plan”
Financial picture, Stewards of our assets and day-to-day operations

It was acknowledged that the committee’s role is to recommend actions to the Council and Council is to take action based on that information as well as other sources. A committee’s recommendation is not always upheld but always listened to. The role of the liaison to the Council is to present the recommendations of the committee to the Council in an unbiased manner and represent the interests of the committee at the Council. While attending committee meetings, the role is reversed. That is the liaison must bring Council decisions to the committee in an unbiased manner and represent the interests of the Council at the committee. Two-way communication is essential for understanding.

THE OFFERING AS A LITURGICAL ACT

Every Sunday, in the absolution at the beginning of the worship service, we again hear the amazing grace of God's forgiveness in Jesus Christ. Then, in the Bible readings and sermon, we again hear God's Word, the good news of God's love for us and all the world in Jesus Christ, not only now but promised forever.

Receiving such incredible gifts prompts us to make appropriate responses. The psalmist asks, "How shall I repay the Lord for all the good things he has done for me?" Ps.116:10 Obviously there is no way we can begin to "repay the Lord!" Yet liturgically we symbolically respond with several kinds of offerings:

- of faith (Creed)
- of prayer
- of music
- of bread and wine
- of "our selves, our time
- and our possessions" (the "offering" of money)

all "signs of [God's] gracious love."

We call our giving of money an "offering" and not a "collection" because the focus is not on those who collect (the ushers) but on those who offer, who respond to "[God's] gracious love." (Therefore it is called an "offering plate," not a "collection plate." And our offerings should be listed as "offerings" and not "receipts" in our financial reports)

Our offerings of money are not a worldly intrusion on our worship, a time-out from things reverent. Rather the offering is an integral part of worship when we respond to God's good news. Our offerings of money are a tangible sign of the praise we have already been offering with our lips. "Our response of faith takes concrete shape in the offering."¹ "When we put our offering in the offering plate each week, we are acknowledging Jesus Christ as Lord. We are giving back to him what he has first given us."²

The offering therefore is a very important part of the worship service. Very careful thought needs to be made before doing anything that could lessen the meaning of the offering. Long after automatic withdrawals and deposits, a 1966 leader's guide for a study of the liturgy suggested these questions³:

- "What reasons can pupils give for collection money publicly from parishioners?"
- Would it be better to have individual members mail in their contributions and thus avoid handling money at the service?
- Is there something important about bringing the offering plates to the altar?"

Thrivent's *Simply Giving* plan (automatic withdrawals from members' accounts and their subsequent automatic deposit into the church account) is a very convenient way for members to give money to the church. But what happens when members don't participate in the offering of money? Is the end result none received during worship? And no offering of money presented at the altar?

Simply Giving could result in members' giving more regularly and therefore more money given to the church. But our offerings are not simply another bill to be paid. Maintaining the liturgical integrity of our offerings of money is more important than the convenience of members and the church's income bottom line.

GOD GIVES AND WE RESPOND - A Theology of Stewardship

From New Members' session materials

GOD THE GIVER

The world and all that is in it belong to the Lord; the earth and all who live on it are his. Psalm 24:1

Praise the Lord, my soul! All my being, praise his holy name!

Praise the Lord, my soul, and do not forget how kind he is.

He forgives all my sins and heals all my diseases.

He keeps me from the grave and blesses me with love and mercy.

He fills my life with good things, so that I stay young and strong like an eagle. Psalm 103:1-5

OUR RESPONSE TO GOD'S GIFTS

✠ **Offering prayer** – Merciful Father, we offer with joy and thanksgiving what you have first given us -- **our selves, our time**, and our possessions, signs of your gracious love. Receive them for the sake of him who offered himself for us, Jesus Christ our Lord. Amen

✠ **God gives to us and we thank God by using his gifts to serve him and others.**

+ There are different ways to serve the same Lord, and we can each do different things. Yet the same God works in all of us and helps us in everything we do. The Spirit has given each of us a special way of serving others. I Corinthians 12:5-7

+ Each of you has been blessed with (at least) one of God's many wonderful gifts to be used in the service of others. So use your gift well. I Peter 4:10

+ If we can serve others, we should serve. If we can teach, we should teach. If we can encourage others, we should encourage them. If we can give, we should be generous. If we are leaders, we should do our best. If we are good to others, we should do it cheerfully. Romans 12:7-8

✠ **Distribution of Time and Talent Sheets and Booklets**

GOD THE GIVER

✠ **King David praised the Lord:**

+ *Lord God of our ancestor Jacob, may you be praised forever and ever! You are great and powerful, glorious, splendid and majestic. Everything in heaven and earth is yours, All riches and wealth come from you. We give you thanks. Yet my people and I cannot really give you anything, because everything is a gift from you, and we have only given back what is yours already.* 1 Chronicles 29:10-14

OUR RESPONSE TO GOD'S GIFTS

✠ **Offering prayer** – Merciful Father, we offer with joy and thanksgiving what you have first given us -- our selves, our time, **and our possessions**, signs of your gracious love. Receive them for the sake of him who offered himself for us, Jesus Christ our Lord. Amen

✠ **As the disciples said to Jesus, *Lord, teach us to pray* Luke 11:1, we say to him, "Lord, teach us to give"**

THE BIBLE TEACHES US HOW TO GIVE.

✠ In the New Testament, Jesus spoke five times as much about money and material possessions as he did about prayer.

1. **GIVE WHOLEHEARTEDLY** – Jesus said: *Love the Lord your God with all your heart, with all your soul, and with all your mind.*- Matthew 22:37

Therefore we PLEDGE.

1. We make an annual commitment of our time, talents and money to the ministries of the church, using financial pledge cards for adults, and time and talent commitment sheets for adults and children. Because we give wholeheartedly, we have limited special appeals for money, usually only for extraordinary needs beyond our congregation (examples: holiday food offerings and annual \$5.00 Blanket Appeal) and designated youth events (as stipulated in the Children & Youth Ministry Team Event Funding Policy). Members are not continually asked to give to extra appeals.

2. **GIVE GENEROUSLY** – St. Paul wrote, *They (the Christians at Macedonia) have been severely tested by the troubles they went through; but their joy was so great that they were extremely generous in their giving, even though they were very poor.* 2 Corinthians 8:2

Therefore we SHARE.

Our congregation's spending plan includes generous contributions to our New Jersey Synod and ELCA churchwide mission, as well as other local and worldwide ministries, totaling about 20% of our offerings.

3. **GIVE RESPONSIBLY** – *God looked at everything he had made, and he was very pleased. And God said, "I am putting you in charge."* Genesis 1:28, 31

Therefore we ENCOURAGE

all our members to be responsible caretakers of all the gifts God has given to us - our bodies, our planet, our children, our blood . . .

4. **GIVE FREELY** – **God's free Gift:** *For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life.* John 3:16

Therefore we GIVE, rather than buy and sell.

For example, any events, such as car washes or dinners, organized to support youth events or causes outside the congregation (i.e., the World Hunger Appeal) will involve free will offerings only, rather than the sale of goods or services. We are in the business not of buying and selling but of **giving** the gospel of God's love, forgiveness, and everlasting life through Jesus Christ. To help make this happen, we give our offerings freely, as God gives to us.

5. **GIVE PROPORTIONATELY** – St. Paul wrote, *Now, concerning the money to be raised . . . Every Sunday each of you must put aside some money, in proportion to what you have earned.* 1 Corinthians 16:2

Therefore we accept this Biblical challenge, pray for God's guidance, and calculate our offerings as a proportion (percentage) of our income. This helps us choose to follow Jesus amidst all the conflicting claims and pressures of life – family, job, worldly security, church, hobbies, sports.

Jesus said: "Much is required from the person to whom much is given; much more is required from the person to whom much more is given." Luke 12:48

Other times (heating) the major expenses occur seasonally and are not evenly spent during the year. ▪ Some expenses (staff salary) and benevolences are paid more evenly during the year – but there are a few months in the year when there are 3 paychecks issued so those months will seem higher than they should.
<i>Balance Sheet</i>	<ul style="list-style-type: none"> ▪ Check the equity section did we add to or reduce our net worth? This reflects the relationship between how much we spend versus how much we receive in offerings etc.

SPENDING PLAN and BILL APPROVAL PROCESS

1. **Spending Plan** – Committee Chairpersons or specific ministry related staff persons are authorized to expend funds without committee or Council approval **within the allotted amount in the Spending Plan approved by the congregation. Generally, individual budget lines may be overspent as long as the committee total is not overspent.** Anticipated expenses in excess of the approved committee budget total must be approved by the Council.
2. **Bill authorizations** – There are two ways that the chairperson or staff member may submit bills to the Treasurer for payment. Items you need are in the labeled mail slot – first column, bottom slot.
 - **If you have a bill**, stamp it with the rubber stamp, fill in the spending plan category (committee and budget line – e.g. Worship: Worship Supplies), amount, date and your signature
 - **If you don't have a bill**, or if there is no room on the bill for the stamp, fill out a blue "Check Request Form" found in the mail slot, making sure to include the name the check should be made payable to (staple bill or receipt to blue form if you have one).
 - **Place either the bill and/or the check request form** in the Treasurer's mail slot labeled with red lettering.
3. **Keeping records** – Making a copy or keeping a list of the bills and check requests you submit to the treasurer will help you prepare your spending plan requests and expenditure projections for the next year (see sample sheet on next page).
4. **Advances** – If you expect to have to lay out cash for a particular expense, you may request a cash advance from the treasurer, using procedure 2 above. You may also be eligible to use the church credit card account. Check with the Office Administrator in advance. In all cases, you will need to provide receipts and a summary to the Treasurer promptly after the expenses are incurred.
5. **Travel Expenses** – If you are traveling on behalf of the congregation, you will need to provide receipts and complete the Travel Expense Reimbursement form available in the labeled mail slot.
6. **Tax-exemption #** – The church is exempt from payment of state sales tax. You have to give the exemption # **EO-NJ3-000-175/000** and in most cases, will be requested to produce a tax exempt form. A copy of this form is included in the Leaders' Handbook – make copies as needed. If you are going to be in another state, you may be able to request a tax-exempt number from that state by writing to the appropriate government agency in advance.

GUIDELINES TO COMMITTEES TO PREPARE INITIAL SPENDING PLAN REQUEST

Except for hourly staff, salary expenses are not itemized on your worksheet. However, there may be associated costs, such as professional expenses, that should be considered. For hourly employees, your plan should include the total number of hours each will be working during the next year.

As an aid to determine your expenses so far this year, an itemized list of checks written against your accounts will be provided. Remember there may be expenses yet to be processed this year and may have to be included in next years estimate also.

1. Your Finance Buddy is available to assist you in this process. Be sure to meet with your Buddy early.
2. Review what was accomplished and what shortfalls there may have been for the current year's plan.
3. What contributed to your successes? (e.g. good planning, special talents, unexpected help, additional funding, Synod resources)
4. What were the factors that prevented you from accomplishing all your goals? Was it resources (e.g. people material, dollars, time), scope (e.g. too big a project, too far reaching for the committee this year), or concept (e.g. the project wasn't as important as first thought, you misunderstood what was needed, another group did something similar).
5. Discuss what goals you would like to accomplish next year.
6. Determine the resources needed to accomplish each goal

OFFERING INCOME – ANNUAL PROJECTION

The annual offering income is projected by the Financial Secretary in late December or very early January for the Council financial planning meeting (usually the 1st or 2nd Saturday in January). The projection is based on the following criteria:

1. 100% of the pledges received in the fall response period.
2. 100% of the offering income given in the year just ended for those who gave but did not pledge for the new year.
3. These numbers are adjusted for anyone who has left the congregation or passed away in the current year.
4. The Pastor gives the Financial Secretary a list of members who have indicated to him that they are moving in the near future and their anticipated dates of moving.
5. The numbers in 1 & 2, above are adjusted for these anticipated moving dates. (i.e., if moving in June, 6 months of the pledge is included). Note: The Financial Secretary will need to ascertain if the pledge is a full year pledge by comparing to prior year before making this type of calculation.
6. All other offering income numbers (Plate & Special) are suggested by the Finance committee and finalized at the January Council meeting.
7. Offering income projections may be adjusted at the January Council meeting by the Council. Info Council may consider at that time includes the % of pledge dollars collected in the prior year and what the historical average % is.

Adopted by Offering Income Report Task Group – January 2004

CAPITAL CONTINGENCY GUIDELINES

1. That a fund designated as the “Capital Contingency Fund” be maintained.
2. That the purpose of this fund be to provide the major capital expenditures. A major capital expenditure is an improvement or repair to real property costing a minimum of \$5,000.
3. The fund is to be maintained as a line item of the Finance Committee’s budget – beginning with 1988 budget.
4. The fund will be reviewed each year as part of the annual budgeting process and will be funded as an expense item in an amount in accordance with the fund needs. As of May 1, 1987, the fund contained \$2,875.88. The fund should be in the range of \$8,000 to \$10,000 (eight to ten thousand).
5. The fund balance shall be invested to obtain a high return by investing in church related and/or other secure investments.
6. Interest earned from investment of the fund shall become part of the fund.
7. In any fiscal year the church council has the authority to authorize expenditures from the capital contingency fund.

The recommendation was unanimously passed by Council on June 1, 1987.

**WEIDNER FAMILY TRUST:
Future Jean E. Weidner Endowment Fund (2021)**

The following letter was received from Tim Weidner, son of Jean and Richard Weidner, long-time members of Good Shepherd. Jean and Richard died in 1995 and 2000, respectively.

June 13, 2005

The Reverend Dr. Jack Denys and
The Congregation Council of
Good Shepherd Lutheran Church
300 Union Avenue
Somerville, NJ 08876

Dear Pastor Jack and the Members of the Good Shepherd Council:

My siblings, The Reverend Christopher Weidner and Allegra-Lynn Cushing, join me in announcing that Good Shepherd Lutheran Church (Somerville NJ) is a future charitable beneficiary of the Weidner Family Trust established in keeping with the wills of my parents, Richard T. and Jean E. Weidner, and administered by the ELCA Foundation as trustee.

In the provision of my parents' wills, this bequest is "to be used to establish or add to the JEAN E. WEIDNER ENDOWMENT FUND, who witnessed in Christian Education, Music, and Social Ministry in Good Shepherd Lutheran Church of Somerville, New Jersey (1958-1990). The proceeds of this bequest cannot be used merely to pay ordinary operating expenses of the congregation but are to be designated for specific projects or initiatives".

As a life-long member of Good Shepherd and as a person nurtured and challenged both by the ministry of this Congregation and by the love and generosity of my parents, I am proud and humbled by this announcement.

While many persons who knew my mother or remember serving with her at Good Shepherd may not be around at the anticipated time of the disbursement in 2021, there are folks who still remember her fondly and appreciatively now.

It is my hope that the Congregation Council will make this announcement known to the Congregation as a matter of public record. In the spirit of both my parents' generous stewardship during their lives and beyond their deaths, I encourage the Congregation to use this announcement to inspire and invite others to consider their own creative decisions in giving to the glory of God and in the faithful ministry of the Good Shepherd.

Most sincerely,

Tim Weidner

No such person shall be personally liable as long as he or she acts in good faith and with ordinary prudence. Such persons shall be liable only for his or her own willful misconduct or omissions, and shall not be liable for the acts or omissions of any other person enumerated above.

No such person shall engage in any self dealing or transactions with the FUND in which the person has a direct or indirect financial interest and shall at all times refrain from any conduct in which his or her interests would conflict with the interest of the FUND.

II. ASSETS OF THE FUND AND INVESTMENT OBJECTIVES

All assets are to be held in the name of GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH ENDOWMENT FUND. This will include assets held for restrictive and unrestrictive purposes.

The investment objective of the FUND is to maintain the initial value of gifts received and to generate income for the mission purposes stated below.

Recommendations to hold, sell, exchange, rent, lease, transfer, convert, invest, reinvest and in other respects to manage and control illiquid assets coming to the FUND, as in their judgment and discretion they deem wise and prudent are to be made by the COMMITTEE for approval by the Congregation Council, with subsequent execution overseen by the delegated member of the COMMITTEE.

Decisions to hold or sell liquid assets including stocks, bonds, debentures, mortgages, notes, or other securities, coming to the FUND are to be made by the COMMITTEE after seeking advice from the investment advisor. Such decisions are to be reported at the next meeting of the Congregation Council. Execution of such decisions is to be overseen by the delegated member of the COMMITTEE.

III. RECEIPT OF GIFTS

The retention of gifts in their donated state may meet the investment objectives of the FUND and the COMMITTEE need only pass on its recommendation to hold for the FUND.

Gifts received can be classified in two manners: by their degree of liquidity and by their restrictive designation.

A. Illiquid Gifts

Upon the receipt of gifts that are relatively liquid, such as real property, life insurance assignments (but not death benefits), the COMMITTEE shall consider whether:

To accept such gift; consideration should be given to any potential expense that might be incurred to maintain the property or place the property in a salable state.

To retain such gift in its current state or to seek to convert it to cash.

The recommendation of the COMMITTEE is to be presented to the Congregation Council for approval to proceed.

When converted to cash, the COMMITTEE would proceed in the same manner as for liquid gifts as described below.

B. Liquid Gifts

Decisions regarding the disposition of liquid gifts other than cash, such as stocks and bonds, are to be acted upon as quickly as possible. Counsel is to be sought from the investment advisor. Three options exist:

to sell immediately

to hold for long term investment

to hold temporarily pending an expected development

If the decision is to hold such gifts temporarily, a time period of no greater than three months is to be established to review the original decision.

Following liquidation or upon receipt of cash, the COMMITTEE is to seek the recommendations from the investment advisor as to the investment of available funds. Upon review of these the COMMITTEE shall decide on an investment program and proceed with such investment.

At least twenty-five percent (25%) of funds initially received as cash or other gifts converted to cash for investment will be placed in and remain invested in the ELCA Mission Investment Fund.

C. Restrictive Gifts

Anyone giving counsel to individuals considering to make a restrictive gift to GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH should review with the prospective donor the practicality of that restriction. An attempt should be made for provisions for executing the gift in a manner closely consistent with the restriction, if future conditions make it not practical to adhere to the restriction.

In the event a restrictive gift is received that is not practical to execute and provisions had not been made by the donor for an alternate program, the COMMITTEE will seek to find relief from the restriction through the donor or his/her personal representative to execute the gift in a manner closely consistent with the stated restriction and the current conditions at GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH.

Restrictive gifts are to be held in the name of the FUND.

The COMMITTEE is responsible to see that the income generated from the restrictive gift is utilized according to the final decision as to the use of the funds.

If the gift is received in illiquid form or is non-cash, the COMMITTEE is to proceed according to the provisions in subsection A or B above.

D. Unrestrictive gifts

Gifts received with no restrictions are to be invested in the FUND, and the annual income there from is to be distributed as described below.

IV. DISTRIBUTION OF INCOME

Following liquidation or upon receipt of cash, the COMMITTEE is to seek the recommendations from the investment advisor as to the investment of available funds. Upon review of these the COMMITTEE shall decide on an investment program and proceed with such investment.

The COMMITTEE shall determine what is principal and income according to accepted accounting procedures.

If income can be identified with a specific asset held for restrictive purposes that should so be assigned. If the assets received for restrictive purposes are commingled with other assets of the FUND, income from such assets are apportioned.

Income from the FUND may be distributed annually and at such other times as deemed necessary or feasible to accomplish the following purposes:

1. Support to the New Jersey Synod in an amount equal to the total income to be apportioned multiplied by the percentage of benevolence giving adopted by the congregation for the current year. In no event will the percentage used for this distribution exceed twenty-two percent (22%).
2. Support to local institutions and agencies, not related to the ELCA, furnishing programs for those persons area who are in spiritual and/or economic need.
3. Scholarships or grants to members of GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH attending schools above the secondary level for the purpose of training to enter church vocations.

In the event that no member of GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH is enrolled in such training, the funds may be extended to the New Jersey Synod of the ELCA to be used for a similar purpose.

4. Special support to the Lutheran community that GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH relates to, including but not limited to grants to colleges, seminaries, camps and social service agencies related to the Evangelical Lutheran Church in America (ELCA). It is suggested that the COMMITTEE consult with the Bishop of the New Jersey Synod in identifying special needs of these organizations.
5. Support for the establishment of programs that are unbudgeted and for the continuation of those programs at GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH

Recommendations for specific appropriations that fall into one of the above purposes shall be directed to the COMMITTEE by existing standing committees of GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH. The COMMITTEE shall consider all such recommendations and propose to the Congregation Council for its approval the allocation of income available.

Upon advice of the approved distribution the recording secretary shall initiate disbursing funds to the congregation general account.

V. AMENDING THIS RESOLUTION

BE IT FURTHER RESOLVED, that any amendment to this resolution, which will change, alter or amend the purpose for which the FUND is established shall be adopted by a two-thirds (2/3) vote of the members present at an annual meeting of the congregation or at a special meeting called specifically for the purpose of amending this resolution.

VI. DISPOSITION OR TRANSFER OF THE FUND

BE IT FURTHER RESOLVED, that in the event GOOD SHEPHERD EVANGELICAL LUTHERAN CHURCH ceases to exist either through merger or dissolution, disposition or transfer of the FUND shall be at the discretion of the Congregation Council in conformity with the approved congregational constitution and in consultation with the Bishop of the Synod to which this congregation belongs at such time. Consultation with the Evangelical Lutheran Church in America may be desirable for continuation of FUND obligations.

VII. ADOPTION OF RESOLUTION

This resolution, recommended by the Congregation Council and accepted by the congregation in a legally called congregational meeting, is hereby adopted.

MEMORIAL FUND GUIDELINES

Good Shepherd Lutheran Church ~ 300 Union Avenue, Somerville, NJ

Because we believe that the memory of our loved ones may be served by a living memorial that contributes to the ongoing welfare of the Church and of the Kingdom of God, the Memorial Fund of Good Shepherd Lutheran Church, Somerville, New Jersey, has been established.

The procedures and directions for the administration of this Memorial Fund are as follows:

1. Any person desiring to contribute a sum of money in memory of any deceased person may deposit such sum of money in the Memorial Fund of the Church.

Additional gifts may be made in memory/honor of persons at any time, such as birthday, anniversary of death, etc.

Bequests made in a Last Will and Testament may also be added to the Memorial Fund; such bequests shall be noted in the Book of Memory.

2. The name of the deceased person shall be inscribed on a page in the Book of Memory. The Book of Memory shall at all times remain upon a place provided for it in the Church.
3. Each donor shall receive an acknowledgment of the contribution. The honored person or family of the deceased shall receive a properly imprinted folder notifying them of the donor's contribution.
4. All contributions shall constitute the Memorial Fund of the Church and shall be accounted for separately from other funds of the Church. Authorization to spend monies in the Memorial Fund shall be vested in the Congregation Council.
5. A contribution may be made in the form of:
 - A. an undesignated gift (to be administered in accordance with item 7); or
 - B. a designated gift from the Designated Gift List developed in accordance with item 8.
6. To facilitate the living aspect of the Memorial Fund, the undesignated gifts shall be administered by a Memorial Committee. This Committee shall be comprised of volunteers from the congregation. In June of each year, the Council shall appoint a person who will serve as the chairperson of the Memorial Committee. The Committee shall make recommendations for the *use of the balance of the undesignated gifts remaining in the Memorial Fund as of the previous December 31. The recommendations will be submitted to Council for approval and authorization of disbursement. The chairperson shall oversee the disbursement of funds by the appropriate Committee or staff person. Recommendations to be considered by the committee shall include, but are not limited to:
 - A. Support of colleges, seminaries, and other recognized institutions of the Evangelical Lutheran Church of America.
 - B. Enabling our youth to participate in Synod or ELCA sponsored activities.
 - C. Fixed grants to students in the Church preparing for Lutheran ministry or full-time service in the Lutheran Church.
 - D. Enhancement of the worship experience; e.g., altar paraments, lay assistant vestments, church hymnals, audio/visual equipment.
 - E. Improvement of the Christian Education experience; e.g., audio/visual equipment, meeting room improvements.

Any remaining balance of the undesignated gifts may be used to support the adopted budget of the congregation only when Council deems it a dire necessity** through a 75% vote of the total number of Council members.

- * It is recognized that recommendations for use can mean the expenditure of all, part, or none of the balance, depending upon the magnitude of the project under consideration.
- ** A dire necessity is defined as a situation which imperils the continued operation of Good Shepherd Lutheran Church.

7. The Designated Gift List shall be comprised of two components:

A. The money in the Memorial Fund given in memory of Mark Froehlich shall be designated as the Mark Froehlich Youth Leadership Memorial which shall be listed permanently as an option on the Memorial Fund designated gift list and be administered according to the following guidelines:

- 1) The Memorial shall be invested and the interest used to provide funds to enable youth of Good Shepherd Church to:
 - a) attend leadership events (e.g., synod youth convo, synod youth leadership lab, regional and national youth gatherings)
 - b) attend Lutheran Church Camps
- 2) The income from this Memorial shall be administered by the Congregation's Children, Youth & Family Ministry Team.

B. Specific items submitted by the Memorial Committee which shall be administered as follows:

During the first quarter of each year, all standing committees will be invited to submit items, together with their approximate cost, for inclusion on the Designated Gift List to the Memorial Committee. These items, along with the previously Designated Gift List, will be reviewed by the Memorial Committee and a new Designated Gift List will be prepared. This revised list will be submitted to Council for approval. Expenditures for an item from the list approved by Council may be made any time after the cost has been donated.

8. Interest earned from the investment of the Memorial Fund shall remain in the Fund and is to be proportionately allocated between the Mark Froehlich Youth Leadership Memorial (paragraph 8.a.) and the Undesignated Fund. (see paragraph 7).

9. The area near the outdoor cross is set apart as a Memorial Garden where cremation ashes of current and former members and their immediate families may be buried in biodegradable containers and without identification. A plaque nearby lists the names of individuals whose ashes are buried in the garden. There is no charge for interment in the garden. There is a charge requested to cover the cost of the name plate. (\$70 as of August 2017.)

These procedures were adopted by the congregation at the Congregational Meeting held on June 12, 1977, and were amended by the Council in September 1985, March 1994, January 1995, May 2000, February 2001, December 2004 and December 2017 .

“EXTRA MILE GIVING” GUIDELINES (Previously known as “Special Appeals”)

The theological philosophy at Good Shepherd is to encourage our members to give freely, joyously and from the heart. We encourage and promote the concept of tithing and proportionate giving. *Tithing* is an offering of 10% of your income to the ministries of Christ. *Proportionate giving* is where a member or member family strives to increase their annual giving by a certain percentage each year as they move toward and beyond tithing. Our goal is to try to educate the congregation as to why we give (in thanks to God) and that our offerings should be given regularly and joyously.

The Stewardship Ministry Team established and adopted certain guidelines to be followed in processing requests for Special Appeals. The Social Ministry and Stewardship Ministry Teams have discussed and updated these guidelines to promote renewed enthusiasm for our mission to help all in need. Each quarter we will review requests for new giving opportunities so our requests are not planned one year in advance, limiting our ability to give when a need arises.

1. A special appeal (now called “EXTRA MILE GIVING” ~ **EMG**) is defined as **any** request to the congregation for the donation of money or goods that need to be purchased, i.e. not used items such as clothing, furniture or tools that are already in the household.
2. All these appeals need to be submitted to and approved by the Social Ministry Team, prior to any advertising of the program or presentation to the congregation.
3. All Extra Mile Giving Appeals must be supported by the “3 sponsor rule” which means at least three members need to embrace the appeal and be responsible for it.
4. This giving appeal must be for outreach and not for use of GSLC members. This does not include the cost of emergency capital repairs or designated youth events (as stipulated in the Children & Youth Ministry Team Event Funding Policy).
5. **EMG Appeals** should be expected to achieve significant results. Significant result in monetary terms is defined as \$500 or greater. This is to avoid hitting the congregation with numerous small appeals that wear on their good will and thus hinder our ability to raise funds in more necessary situations. It was felt that we should be able to find funds (under \$500) within other areas of the church financials, (i.e. operating budget, dedicated funds) to fund these smaller items. With each appeal, we need to look carefully at the existing missions supported in our budget already. Also, where possible, sponsors should try to arrange for matching funds.
6. By the first of March, June, September, and December, all requests for EMG Appeals to be held during the next quarter must be presented to the Social Ministry Team, using the attached *Extra Mile Giving Request Form*. All requests will be reviewed and submitted to Council for their endorsement. Groups will be notified of the approval or decline of the appeal after that meeting.

As we continue to focus on annual proportionate growth giving, when we prepare our annual spending plan, we budget for certain line items in benevolence. Examples of past benevolence giving have included ELCA World Hunger, ELCA Disaster Response and Lutheran Social Ministries of NJ.

In addition, the Social Ministry Team budgets funds to support other *local* ministries such as Somerset Jail Chaplaincy, Somerset Chaplaincy to the Elderly, the Food Bank, SHIP, the Franklin House, IHN, Somerville Home for Temporarily Displaced Children, and the Resource Center for Women & Families. Moreover, Christian Education offerings are annually used to support ministries such as the Food Bank, ELCA World Hunger, the Blanket/Tools of Hope Appeal, and the GSLC Stitchers.

Beyond our planned benevolence giving, EXTRA MILE GIVING (EMG) provides us additional opportunities to respond joyfully to the many needs of those around us ~ locally and globally.

EXTRA MILE GIVING APPEALS include requests for congregation members to donate funds or new items (i.e., not used goods) in addition to their regular offerings. These appeals are considered an auxiliary part of Good Shepherd’s overall stewardship program and are coordinated by the Social Ministry Team. All requests to conduct these appeals should be submitted to the Social Ministry Team by the **sponsoring group** by March 1, June 1, September 1 or December 1. Requests are then reviewed by the Social Ministry Team. They are then submitted for approval by the Congregation Council on a quarterly basis.
